	Key Safeguarding Arrangements	Yes/No [Comment]
1. Organisation	• Is there a named officer for child protection?	
	• Does the agency have a clear policy and procedure for safeguarding children?	
	• Does the Agency have systems in place for children and staff to make a complaint where there are concerns that actions to safeguard children have not been taken in accordance with agency/organisation procedures?	
2. Accountability	Are staff aware of how they should discuss/report concerns about a child's welfare?	
3. Child Protection Procedures	Does the Organisation/Agency have child protection procedures in place?	
4. Staff Training on Safeguarding and Child Protection	Do staff and volunteers who have contact with children receive training on their role and responsibilities and the roles of other organisations?	
	Do staff receive induction training on child protection?	
	Is training updated annually for all staff?	
5. Inter-Agency Working	Are the criteria for making child protection referrals clear and understood by staff?	
	Do staff understand why they should discuss a concern about a child's welfare with a manager?	
	Are procedures for referring concerns to statutory agencies in place?	
	Do staff have access to interagency procedures?	
6. Work with individual children and their families	Are children and young people listened to and what they say taken seriously and acted upon?	
	Is a procedure in place including one that considers complaints and which is easily accessible and user friendly?
