explore enterprise support service

This is a free service that provides an insight into starting a business or allows you to take the first steps to gaining employment. You do not need to have a business idea to join.

The NI Explore Enterprise Support Service offers mentoring and training at a pace tailored to your needs and you have the opportunity to work towards achieving a level 2 qualification.

Our experienced Business Mentors will support participants through a range of activities including:

- **One-to-one tailored mentoring and guidance**
- **Workshops and Level 2 training**
- **Support from the wider ecosystem**

To be eligible for this service you must be:

- Aged 16 or over
- Economically Inactive (people not in employment who have not been seeking work within the last 4 weeks and/or are unable to start work within the next 2 weeks)

This project is funded by the UK Government through the UK Shared Prosperity Fund.
