## **Who we are:**

Action for Children is a leading children's charity providing local services for children, young people and families. We want families to be happy with the information you give us and understand how it is used. Action for Children are the data controller(s) for the information you give us.

## **What information we collect:**

When you refer a family to the services of Action for Children, Action for Children may collect the following information about them:

- Personal details such as child's name, date of birth, address and referral information, extended family information, networks and key agencies involved.
- A running record of our contact with you and/or your child.
- Letters, including e-mail, text or other types of electronic communication.
- Health information physical or mental
- Information about your: health details, racial or ethnic origin, religious or similar beliefs, and /or criminal record.

## **Using personal information:**

Action for Children will only use this information with parents' agreement, for the following reasons:

- To support families and monitor progress,
- To check the quality of the service we provided,
- To meet our legal obligations,
- For monitoring/ reporting purposes.
- To report safeguarding concerns.

## **Who we might share your information with:**

We will share some of the above information about you with the following organisations including other professionals involved.
